Enclosed is the research I did for a
friend of mine, a former schoolmate.
I hope it can be put to use in your
fine library.

Someday if you take a snapshot of
the library I'd love to have a small
copy.

How are you?

FACES OF THE COAST

Nicole LaCour Young/The Mississippi Press

Roxanne Fisher

Roxanne Fisher is the mother of a special needs child who graduated high school this year. When her son started attending Becky Meadows' class at Ocean Spring Middle School, Fisher, wanting to be as involved as possible, started volunteering there. "We did a lot of car washes and bake sales," she said. From that first involvement over nine years ago she worked her way

from volunteer to substitute teacher to full-time employee. Today she is a records clerk at the school. She said she loves working around children even though they can be a bit much at times. When she's not working she loves to travel with her "loving and dedicated husband, Allan," and their son. They just returned from a trip to Hawaii and are hoping to go to Mexico soon.

JENNIFER NICOLE and JARED PAUL, twin children of Paul and Terra Fisher of Pascagoula, are a year old today. Grandparents are Evelyn and the late Peter Fisher, Robert and Alberta Buford, Pascagoula.

Pascagoula student at MSU honored

Special to The Mississippi Press

STARKVILLE — A Pascagoula senior who is a member of Mississippi State's Distinguished Scholars Program is receiving a National Science Foundation grant to continue his education.

Chemical engineering major Jared P. Fisher has been accepted into the University of California, Berkeley's graduate program. Scheduled to receive his bachelor's degree in May, he will be attending the nationally ranked Golden State institution on an NSF Integrative Graduate Education and Research traineeship.

Fisher, who was first in his 2002 Pascagoula High School graduating class, also is receiving a Chancellor's Fellowship for Graduate Study, which he won in competition

with other students admitted to Berkeley in all departments.

An MSU Presidential Scholar since his freshman year, he is the son of Paul and Terra Fisher. As a Distinguished Scholar Program member, he has attended the land-grant institution with all costs covered for tuition and fees, and room and board over four years.

The National Science Foundation is an independent federal agency created by Congress in 1950 to promote science and education through research programs and education projects. Its IGERT program was developed to help prepare future doctoral scientists and engineers for careers in research and education.

VETERAN OF '61 DIES AT QUINCY

Daniel Fisher, Former Moline Resident, Passes in Old Soldiers' Home.

Daniel Fisher, a former resident of Moline who served in the war of the rebellion, died last night in the Illinois soldiers' and sailors' home in Quincy, where he had resided for seven years. He was blind.

He was the son of Cyrus and Charlotte Fisher, and was born at Matamoras, O., March 3, 1847. He moved to a farm at Brimfield, Ill., and in 1861 removed to Moline, traveling overland. His home in Moline and his father's cooper shop were located on Fourth avenue between Fifteenth and Sixteenth streets. Part of this area is now Moline city park.

At the age of 16 Mr. Fisher joined company I, Twenty-Eighth Illinois Infantry, as a drummer boy and received his discharge from army duty at Brownsville, Tex., after taking part in many engagements.

He married Martha McDonald in Moline, June 6, 1869. She preceded him in death in 1919. Mr. Fisher was a charter member of Graham Post, Grand Army of the Republic, Moline, and was a member of the post's original drum corps. For fifty-two years he had been a member of Ucal lodge No. 608, Odd Fellows, Rock Island. By trade Mr. Fisher was a gang sawyer, serving a time in the Weyerhaeuser & Enkmann mills in Rock Island.

In 1877 with the late Milton Walters he opened a grocery store on Sixth avenue and Nineteenth street, Moline, the old Sugar Hollow ad, under the name of Fisher & Walters. Later with his brother, Art C. Fisher, he opened a grocery store in a small frame building at the corner of Third avenue and Seventeenth street, Moline. When the new block was built on that corner the partners were the first tenants and continued in that location for about twenty years. Later they were in the wholesale produce business in Rock Island and St. Joseph, Mo.

The survivors include four children, Fred J. Fisher of Rock Island; Mrs. Theodore B. Lawson, Des Moines, Ia.; Walter C. Fisher, San Leandro, Cal.; and Mrs. Fred P. Irving, St. Joseph, Mo.; and two others, Hart C. Fisher, San Francisco, Cal., and Owen Fisher ofague City, Tex. Four grandchildren also survive.

The funeral arrangements will be announced later.

killings. Marco is serving a term for shooting two men in a beach brawl.

Investigators said Clark, who prosecuted Marco, was lured to a gay party between the time of Marco's first trial, which resulted in a hung jury, and his second hearing. They said they had evidence that photographs were made, or Clark thought they were made, of himself and women at the party, and that the women made affidavits which might have ruined him politically, had they been made public.

The affidavits and pictures, or supposed pictures, were used by Marco, investigators said, in an effort to force Clark to manipulate the jury panel in a manner favorable to Marco. Superior Judge William Doran said he "didn't like the atmosphere of the Marco case" and dismissed the entire panel. Marco's conviction followed.

REPORT INCREASE AT SERVUS PLANT

Orders on Hand for Rubber Footwear Assure Work Until July 15.

Rock Island, May 25.—Servus Rubber company today increased its output of rubber footwear to 16,700 pairs daily, 4700 more than were made at the start of this year, it was announced by T. A. Maguire, president. Enough orders are on hand already to assure capacity production up to July 15, he stated.

This large production schedule is the greatest in the history of the plant. It may be further increased in the next few weeks. Eight hundred employees now are working on a six-day-a-week schedule.

"The business outlook for the remainder of the year from July 15 is fair at this time," Mr. Maguire stated, "although the buying public is not placing orders for future delivery as was done two or three years ago. New York and the east are not so 'blue' as they were six months or a year ago, however, and that is a good sign." Mr. Maguire has just return from a trip through the east.

Declare Most of Factor Fortune Now in Chicago

Chicago, May 25.—(AP)—The Herald and Examiner said today that more than \$2,000,000 of the \$8,000,000 which John Factor, known as "Jake the Barber," was said to have accumulated in international swindles, was found here by Scotland Yard operatives.

The money, the newspaper said, was understood to be in two large trust funds; one of them for \$2,000,000, established in an unnamed Chicago bank.

Attorneys for the British embassy in Washington contemplated starting immediate action to attach the funds for the benefit of British investors, who allegedly lost millions through Factor's stock operation, the Herald and Examiner quotes Franklin R. Overmyer, attorney for British Consul Godfrey Haggard, as saying.

The larger trust fund is said to
